

PRODUCT DATA SHEET

PRODUCT DESCRIPTION

A specially electron-beam-hardened surface with the following properties, among others:

- Anti-fingerprint effect
- Ultra mat look
- Velvety feel
- Scratch resistant
- Suitable for contact with food
(Food safety declaration in the download area - www.sareco.com)

Available colours and structures according to the basic collection – see www.sareco.com
Additional colours upon request with minimum order quantity and a longer lead time.

APPLICATIONS

Horizontal and vertical applications are suitable in residential, public and commercial areas as well as healthcare facilities. Due to its properties their use is particularly recommended for kitchen, residential and bathroom furniture, wall paneling, shop fittings and generally for decorative interior applications.
